

Disclaimer for the Sample Pilot Dataset offered for the review of the public from the Metro Stormwater Geodata Project:

NOTICE: The Geographic Information System (GIS) Data to which this notice is attached are made available pursuant to the Minnesota Government Data Practices Act (Minnesota Statutes Chapter 13). THE GIS DATA ARE PROVIDED TO YOU AS IS AND WITHOUT ANY WARRANTY AS TO THEIR PERFORMANCE, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. This GIS dataset provides electronic geospatial data that represents stormwater fixtures and infrastructure and is federated together from original data developed by the City of Bloomington, City of Eagan, Dakota County, Hennepin County, Minnesota Department of Transportation, Minnesota Department of Natural Resources and Metropolitan Council. These agencies created the original data for their own internal business purposes and these organizations do not represent or warrant that the GIS Data or the data documentation are error-free, complete, current, or accurate. End users of these datasets, the geometric features and attributes contained within and all accompanying documentation are responsible for any consequences resulting from the use of the GIS data or reliance on the GIS Data. End users should consult the data documentation for this particular GIS Data to determine the limitations of the GIS Data and the precision with which the GIS Data may depict distance, direction, location, or other geographic features. If you transmit or provide the GIS Data (or any portion of it) to another user, it is recommended that the GIS Data include a copy of this disclaimer and this metadata. In no event will the City of Bloomington, City of Eagan, Dakota County, Hennepin County, Minnesota Department of Transportation, Minnesota Department of Natural Resources, Metropolitan Council or members of the Metro Stormwater Geodata Project Steering Team be liable for any damages, including loss of data, lost profits, business interruption, loss of business information or other pecuniary loss that might arise from the use of the GIS Data, accompanying documentation or any information they contain.
